Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance:

The instant application is deemed to be directed to a non-obvious improvement over the invention patented in Pat. No. 6,582,195 to Davidson. The improvements are the outer faces of the first and second end supports each has an outwardly stepped profile; and the filler assembly comprises a first outer filler having a projection extending into the inset of one of the inner faces and the second outer filler having projection extending into the inset of the other inner face of the first and second end supports. In another embodiment, the improvement is a retainer having a curved retainer base; and each of the first and second end supports having a cutout for collectively receiving the curved retainer base.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
